

THE FAYETTE FALCON.

ESTABLISHED 1866.

SOMERVILLE, TENNESSEE, FRIDAY, MARCH 26, 1920.

NEW SERIES, VOL. XIII.—NO. 40

Little George Powell Hazelwood

Geo. Powell Hazelwood, infant son of Mr. and Mrs. Shelton Hazelwood, born April the 2nd, 1918, and fell a victim to the great scourge March 15th 1920.

God in His all loving all merciful foreseeing way has removed this little jewel from our midst, we know not why.

He was a child of the Covenant a beautiful and fragrant bud plucked for his Saviour's delight. Death hath not robbed Daddy and Mother of their precious one only added one more attraction added to their heavenly home.

"He shall gather the lambs with His arms and carry them in His bosom." Of such is the kingdom of Heaven.

UNCLE JOE

Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions. Send for testimonials free.

F. J. CHENEY & CO., Props., Toledo, O. All Drugists, 75c.

Hall's Family Pills for constipation.

Notice

The Cemetery Association will meet Thursday April 1st at 3 o'clock with Miss Annie Moorman. A full attendance is urgently requested as it will be the annual election of officers, and plans and work, for the new year will be discussed.

MRS. W. A. RHEA

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 60c per bottle.

Agents Worth Much To Farmers

The county agents and the Division of Extension organization have been worth hundreds of thousands of dollars in adding to the prosperity of Tennessee, both rural and urban population. The urban population, as is well known, increases in prosperity proportionately with the increase in prosperity of the adjacent rural population. It is impossible to measure the exact value of the work financially, for there are so many varied phases of work done, all of which add to the prosperity of the country; but which cannot be measured in value and there are so many indirect financial effects of actual work, for which no definite financial gain cannot be measured that it is impossible to measure the exact value of this work. Summing up several phases of work done in a number of counties by farmers, thru the help of the county agents and the Division of Extension, University of Tennessee have been worth \$867,023.95 to the farmers in this State in gains and selling price and in saving on purchases. With the exception of the gain on sweet potatoes these figures are based on exact records, of transaction made thru the help of county agents as compared with price farmers would have received or paid had they followed older established customs. The gain in sweet potatoes while not based on an actual transaction, may justifiably be credited to agricultural agents and the Division, in as much as they have fostered this increase to development and are in the main responsible for the proper methods of storing.

A Texas Wonder.

The Texas Wonder for kidney and bladder troubles, gravel, diabetes weak and lame back, rheumatism and bladder in both men and women. Regulates bladder troubles in children. Hall, 2925 Olive street, St. Louis, Mo. Sold by druggists, -adv. tf

Card of Thanks

I wish to extend my most sincere thanks to those good people of Somerville who through their efforts extinguished the fire which threatened to destroy my home on March 8.

MR. AND MRS. C. L. MOORE

A pain in the side or back that catches you when you straighten up calls for a rubbing application of BALLARD'S SNOW LINIMENT. It relaxes the contracted muscles and permits ordinary bodily motion without suffering or inconvenience. Sold by Price Drug Co. Adv

BURDENS LIFTED

From Somerville Backs. Relief Proved by Lapse of Time

Backache is a heavy burden; Nervousness, dizziness, headache. Rheumatic pain; urinary ills; All wear one out. Often effects of kidney weakness. No use to cure the symptoms. Relief is but temporary if the cause remains.

If it's the kidneys, cure the cause. Doan's Kidney Pills are for kidney ills; Read about your neighbor's case. Here, a Somerville testimony. The kind that can be investigated. Mrs. J. M. Culbreath, says: "Doan's Kidney Pills certainly do all that is claimed for them. I had been feeling tired and miserable for quite a long time, and my kidneys began to show signs of weakness. I had an ache over my kidneys and my eyes were weak and pained me. As Doan's Kidney Pills had been used in the family with good results, I decided to get some at the Rhea Drug Co. After taking one box, I was completely cured and I gladly recommend Doan's Kidney medicine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Culbreath had. Forster Milburn Co. Mfrs., Buffalo, N. Y. Adv.

Garden Notes

These notes are being written while ye editor is in southern Texas near the gulf coast and in sight of half a thousand derricks over oil wells, many of them actual producing and paying wells, where gardens are far advanced, green peas with grown pods, cabbage hard white heads being cut and marketed and perhaps many of them used in West Tennessee, and on my brother's table today we had ripe strawberries from his garden. It don't look much like gardening in Fayette county to look over the situation here. Roses are in full bloom and the phlox and anemone bountiful in many a nook and corner. I am in Brazoria county, Texas, but a short distance from Galveston. But the trip, not my first to the Lone Star State, has not served to lessen my ardor for the good points of Fayette county which continues good enough for me for a home.

Last week was about the first, since Christmas in Fayette county that working with the soil could be done with safety, because of the excessive moisture. Wet, wet, always wet so that the soil could not be turned or handled. Many gardens were being planted and many others are not yet touched, and if it rained in the section Thursday night as it did in Memphis and Eastern Arkansas, there has been very little chance to work this week.

An old belief in this section is that it is time to plant corn when the doves begin to coo. We heard the first of the present season last Thursday. Time to get busy, when the weather permits.

A larger planting than usual of the ordinary garden beets will serve to furnish the very best kind of feed for laying hens in the fall when frost has nipped other green stuff. They relish them very much.

It is about the last call now for planting the small smooth varieties of English peas, as the other and larger wrinkled varieties may be planted. Planted earlier than this the cold wet

soil will likely cause the wrinkled peas and the sweet corn to rot before germinating. It is safe now to plant the wrinkled peas and the sweet corn, and plant a few rows of Extra Early Adams corn to come in before the sweet corn. It is harder and grows faster.

Time right now to put out strawberry plants for next year's crop of berries. Set now the plants produce a good crop. Set later than this next year's crop will be light, and it don't take many plants to furnish berries to the average family.

"PUT ME ON THE ROAD TO GOOD HEALTH"

Elgin, Tenn.:—"I can say that Dr. Pierce's Golden Medical Discovery and Pleasant Pellets have been the means of restoring my health. I was weak and run-down, had sick headaches, and my kidneys were all out of order. It was a misery for me to walk around. I began taking Dr. Pierce's medicines, and they put me on the road to good health right away. I want to speak a good word for Dr. Pierce's remedies to all sufferers."—HARRISON SHEPARD, R. F. D. 1, Box 18.

A REMARKABLE CASE
Memphis, Tenn.:—"When my little girl was two years old, she had a serious illness that left her partially paralyzed. She was almost helpless when I first gave her Dr. Pierce's Golden Medical Discovery. It was only necessary for me to give her the one bottle (in very small doses) when she was fully restored to health and strength. Since that time whenever my children seem sickly or run-down I find that 'Golden Medical Discovery' restores them to a normal condition of health very quickly and naturally. The 'Discovery' has become a household necessity in my home. "While nursing my baby I am taking Dr. Pierce's Favorite Prescription as a tonic and it gives me renewed strength and, I believe, benefits the baby as well. It is a pleasure to recommend medicines as fine as Dr. Pierce's."—MRS. A. M. BOONE, R. R. 1, Box 380.

NERVOUS PROSTRATION
Bakerville, Tenn.:—"This is to certify that I have used Dr. Pierce's Favorite Prescription also the Golden Medical Discovery and find them to be as represented. After suffering with nervous prostration, 'Favorite Prescription' cured me when other medicines failed. I think it is a grand medicine and never fail to recommend it to suffering women."—MRS. ROSA LEE HOGAN. Send 10c to Invalids' Hotel, Buffalo, N. Y., for a trial package of any of Dr. Pierce's medicines.

Rossville Municipal Election

By virtue of the authority vested in us as the Election Commissioners for Fayette county, State of Tennessee, we hereby order that an election be held at the regular voting place in the town of Rossville, in said county and state, within legal hours, on Monday, April the 12, 1920, for the purpose of electing a Mayor for Rossville and six Aldermen for said town. And for the purpose of holdings aid election the following Officer, Judges and Clerks are hereby appointed.

Officer W. H. Chambers, Judges F. F. Boyd, A. S. Walter, J. F. Nebhut, Clerks Miss Florence Bowling and Mrs. F. F. Boyd.

F. B. Morman, Chairman
W. T. Loggins, Secretary
W. S. Latta
Election Commissioners.
This March 18, 1920.

LAXATIVE BROMO QUININE Tablets remove the cause. There is only one "Bromo Quinine." E. W. GROVE'S signature on box. 30c.

Interest in Club Work

Reports for county agents and club specialists over the state show boys and girls are taking a livelier interest in club work than ever before. Organization of poultry clubs are being pushed at this time and the work is meeting with splendid success. Recently the Davidson County Purebred Poultry Association met and decided to furnish three settings of purebred eggs to all boys and girls desiring them. The original proposition was for one setting, but in order that the boys and girls might become members of the poultry club the Association raised to three settings. There were 201 applicants for the eggs. The demand for the eggs was far greater than was expected and the boys and girls are very enthusiastic over the work.

The county agricultural agent in Shelby county reports that the Benjettown Community has made quite a record in boys and girls club work, having 75 poultry club girls and fourteen pig club boys.
